The charity offers education courses for over 15,000 students annually, health and wellbeing programmes for nearly 2,000 people every year, and spearheads placemaking and regeneration projects in the UK and overseas to revitalise communities and historic buildings.

The King's Foundation is headquartered at its flagship regeneration project, Dumfries House in Ayrshire, Scotland, and acts as custodian of other historic Royal sites including the Castle of Mey in Caithness, Scotland, and Highgrove Gardens in Gloucestershire, which are open to visitors.
